

REWRITING A DIPLOMA?

Please be informed that anyone rewriting a diploma is required to register and pay a fee of \$26.25 online, prior to writing the exam?

Rewrites require students to use myPass, a self-service website for Alberta students, to complete the above. All Alberta high school students should be familiar with the myPass website.

If you have any questions about myPass, diploma fees or rewriting a diploma exam, please ask the Secretary, and she can assist you.
